1. Scope of Work

Akermoor Ltd provides strategic, board-level advisory services focused on Vision and Strategy. We do not perform operational delivery, program execution, or regulated financial activity.

Akermoor Ltd does not arrange or negotiate investments, approve or communicate financial promotions (FSMA 2000 s21), or conduct regulated due diligence or investment analysis. Any introductions are strictly introducer-only, not recommendations or promotions.

3. Due Diligence Limitation

Where Akermoor Ltd provides reviews, they are non-exhaustive, high-level assessments. All such documents carry a HOLD HARMLESS notice and must not be relied on as audits or verifications.

4. Fees and Payment

Engagement letters or proposals set out the agreed fee structure. Fees may be fixed, retainer-based, or day-rate. Akermoor Ltd is not VAT registered, so invoices are issued without VAT unless that status changes.

Invoices are issued monthly in arrears unless otherwise stated and are payable within 14 calendar days. Late payments may incur interest at 4% per annum above the Bank of England base rate and work may be suspended until sums are settled. Scope variations requested by the client will be costed and agreed before work starts.

5. Expenses and Third-Party Costs

Pre-approved expenses such as travel or specialist research may be recharged with evidence provided on request. Akermoor Ltd does not procure or contract third-party suppliers on the client's behalf; external costs remain direct agreements between the client and supplier.

6. Client Responsibilities

Clients will provide timely access to personnel, information, and systems; ensure information supplied is accurate and complete; designate a primary contact able to give instructions; and retain responsibility for decisions, regulatory compliance, and implementation.

7. Deliverables and Reliance

Outputs are advisory and for internal use only. Distribution to third parties requires prior written consent and must retain the HOLD HARMLESS wording and attribution to Akermoor Ltd. No warranties are given for future performance, funding outcomes, or regulatory approvals.

8. Confidentiality

Both parties will keep confidential information secure and use it only for the engagement. Exceptions apply where information is public, independently developed, or legally required to be disclosed. Credential references require client consent.

9. Intellectual Property

Pre-existing intellectual property remains with the originating party. Clients receive a non-exclusive, non-transferable licence to use deliverables internally. Akermoor Ltd may reuse methodologies, know-how, and non-confidential learnings.

10. Conflicts of Interest and Introductions

Potential conflicts will be disclosed and mitigated. Introductions to investors, partners, or suppliers are on an introducer-only basis and clients must conduct their own diligence and contract directly.

11. Anti-Bribery and Ethical Conduct

Both parties comply with anti-bribery, corruption, modern slavery, and tax evasion laws. Akermoor Ltd maintains proportionate policies and training. Clients warrant that no requests will cause a breach of such obligations.

12. Data Protection
